HOW TO SUCCEED in BUSINESS

Well Mary,
Now I've signed about 50 straight books in the exact same place. Right there! The reason for this is that no one else signs anywhere near here, therefore it's not as congested. Mary since I first met you in Mr. Scheuer's class you've gotten smarter and smarter.
YOU'RE RUINING THE CURVE YOU SMART!
Don't worry we still love you

You must only promise me one thing - that we get to know each other better next year. I really mean that & I intend to pursue that goal. We can never get started this summer.
You've really been great to listen to all my problems this year. Perhaps I can do the same sometime. In the meantime - lets "camp on it". OK! OK!

Mary,

I can't remember if I've signed this before, but I'll do it again. Talk about having great friends. I really do. I remember the time when I was hanging around with Cantwell and you told me how stupid I was. Matt what really started me thinking & for ton! I wonder where I'd be without all you

Hi Mary!
Thank goodness we're done with Physics!
I'll miss Rene though.
Sure had fun in Phy Ed, didn't we? Good Luck & enjoy your vacation. Just me - Karen Grimm

It's me again. Stay like you are always & you'll go far. You're so natural & understanding. Better be in some of my classes next year

Mary -

I just want to tell you that I think you are a really beautiful person. I'm so glad I had the chance to know you. Good Luck as President of the rest year. I'm sure you'll do a great job.

Thanks for being you

Barb Holloway

Keep Smiling - ☺

Mary, It was nice having you in Orchestra this year. I'll see you next year. Have a good summer.
Liz Voltz

Dear Mary, English again this year. We'll have to try for one more although you participate too much. Mary you're also too nice; you make people like me feel terribly guilty.
Gail Spreckerman

Mary, It's a sweet girl who it's been fun playing with in orchestra. Good luck with honors orchestra, and have a good time this summer. See you around.
Jeff D. Wilder

Mary, I need more room than this to express how much I value your friendship. You're the greatest kid. I love your hair. You're so cute + talented + popular. I could go on + on. I feel it's an honor to be such a good friend of yours. I hope we get even closer next year. Call me + we can do lots this summa. If ya ever need an ear to listen or help of any kind please call me + I'll come to the rescue.
Love ya always
Claudia

Mary - Congrats & Miss President! I'm really happy you are president and I'll try to be a good little treasurer for you. "What's the answer to # 15 on page 582?" Sounds familiar? We finally made it through and now on to [illegible]! Good luck. I hope we can get together this summer (babysitting wise). Have a good summer.
[illegible]

Hi Mary!
I suppose I'm supposed to say it was a lot of fun in algebra this year. It really wasn't, but I suppose we did good to make it through all those boring lectures. English was fun - maybe we'll get another kooky English teacher next year. Enjoy yourself this summer.
Roger Olson

Dear Mary-
Is Chipper invited
too? I don't have to worry
because he looks really
skinny in his bathing suit
and I hope you wouldn't be interested.
But I don't know; at least, next year,
you two won't be able to walk to school
together. Hurrah! You can take care of
me next year when I'm all alone (sob!)
We'll have to go to all the track meets and
swimming meets and cross country meets —
and lots of others, too.
Katy

Mary,

I'm glad you were in my English class this year and maybe next year we can make it three years in a troupe. I hope we don't get as much homework as we did this year. Have fun during the summer.

Bob Becker

Dearest Dorworth

Thanks for being such a great kid. I could never think you were stupid. Anne and I would just look at you and say "God is she cool". Even though you're such a great student, I'd still consider you a good friend (maybe some of your intelligence will rub off on me!).

I'll never forget all our swim meets, with tootsie pops, cheering, boiling from heat, wondering what the rope is for, loving that silly penguin talks during the 16 laps, and of course our long walks home in the snow. I know I've forgotten some stuff, but they'll always be great memories! I'm already looking forward to next years season.

I know everything with your dad will work out just right. Just remember, I'm praying for your dad and your family! You are one of the reasons I can keep up my faith in God because you always sort of radiate a certain faith.

Always remember. A bright smile is one of the most ~~cool~~ effective forms of communication! Good luck!

Warm

Mary,
at least
we were together
in one class this year —
English. Miss Best did a
great job putting together that
fantastic Parnassus in Print, don't
you think? Maybe we'll see each other again
in Senior English or in other classes or maybe
just in the halls. Whatever, I wish you a great
summer and hope to see you often next year.
Lots of smiles,
Jane Galko

Hey Mary!
I've got alot to say, but I
want to save it for later. Thanks
alot for helping to smile, but
I hope that it wasn't all said just
to make me feel better. I'd like you
to get to know me better, and I'd like
to get to know you. I guess all I'm shown
you is the side of me that isn't. Okay?
RSVP. Smile
Love
Dan

Mary,
Well, have a great summer
and maybe we can join
the Brew crew a couple
times this summer.
We'll have a good time
cheering for Boozer (O.K.) again
next fall and then they
will be World champions
keep up your perkiness, and
orchestra will keep me awake
(maybe) If you stay so nice
I may let you join me in
the Mafia.
From the Italian
Wonder,
Barb Basile

Well Mary, we're ...
Those cookies were wicked!
real good after ...
a sipper off ... keep up your skiing
Don't Forget ...
Physics ... Remember ...
And Remember ...

Mary
Too bad we
weren't in any
classes together this year
(except lunch)
See you next year
Ellen

Mary-
Never forget Latter Bollett? you guys were really great. We suffered through this year of Frencher and only one more year to go! Maybe you will be in my French class again next year! See ya. Love, Katie

Hi, that's all you told me to say.
Dave Fitzroy

Well Mary,
It's been nice knowing you these last two years in French class. You were nice competition - but I didn't have a chance. Good luck next year - although you don't really need it.
John Fitz

Mary-
What would I ever do without you in History? You've been great. Be sure you come and see me out at the lake. I am expecting you!
Pam
Pat Volbrauem

Mary,
We didn't do to much together this year but next year will fix that. I know you'll be an excellent ~~tr~~ Pres.
Sue Strohmaier

Mary (opps!)
Best of luck in your Senior year. Don't practice to hard on the violin this summer! Keep a stiff upper lip and iron nerve (for orchestra only!) Best Wishes!
Beth Alufy '71

Mary,
This year has been a lot of fun. The commons dances were something else. Have a nice summer & will see ya next year!
Smiles,
Kathy Gostisha
